Dear Resident,

Re: Proposed extension of the No Waiting at Any Time restriction at the Garston Drive junction with St. Albans Road.

Following the introduction of the No Waiting At Any Time restrictions in the area in Spring 2021, the Council has received requests from residents and elected members to slightly extend the restriction on the north side of Garston Drive.

We are aware that parked vehicles in this area, create difficulties for other road users accessing and egressing Garston Drive from St Albans Road, which creates congestion around the junction.

To remove this obstruction caused to vehicles and improve accessibility at the junction, it is proposed to extend the existing no waiting at any time restriction on the right-hand side of Garston Drive by an additional 7 metres.

A plan (Drawing Reference WR22TRO2118/IF/ST7) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Friday 29th July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage

Yours faithfully,

Norma Adjepong
Traffic Engineer.
