Dear Resident,

Re: Proposed introduction of No Waiting at Any Time on Orbital Crescent

The Council has received requests from residents and ward councillors regarding the difficulties drivers are having with forward visibility on a section of Orbital Crescent, where the road bends between Numbers 30 and 40, due to vehicles parking at this location.

The layout of the carriageway which bends at that location, means that drivers' visibility is limited when vehicles are parked on the inner side of the bend. This also poses a safety issue for pedestrians as well as other drivers.

To ensure safe passage of vehicles and in the interest of road safety, it is proposed that the no waiting at any time restriction (double yellow lines) are implemented between property no. 30 and 40.

A plan (Drawing Reference WR22TRO2118/IF/ST3) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Friday 29th July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage

Yours faithfully,

Norma Adjepong
Traffic Engineer.
