Dear Resident,

Re: Proposed introduction of No Waiting At Any Time at junction of Cobb Green and Newhouse Crescent.

The Council has received requests from residents and elected members regarding the difficulties drivers are having with reduced visibility levels around the junction, when vehicles are parked at the northern end of the junction. In addition, this can also block the passage and reduce visibility for pedestrians crossing at this point, ultimately resulting in a safety issue for all modes of traffic.

It is therefore proposed that no waiting at any time restrictions (double yellow lines) are implemented around the junction in the interests of road safety, in line with guidance set out in the Highway Code.

A plan (Drawing Reference WR22TRO2118/IF/WD1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Friday 29th July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage

Yours faithfully,

Norma Adjepong
Traffic Engineer.
