Dear Resident,

**Re: Proposed extension to waiting restrictions on King George Avenue junction with Whippendell Road**

The Council has received requests from residents and management companies regarding the on street parking provision on eastern side of King George Avenue, and have requested a review of the restrictions to deter vehicles from parking and blocking the access point to the refuse store.

The current situation has resulted in Veolia being unable to gain kerbside access to collect the bins from the apartment block.

It is therefore proposed to extend the existing No Waiting At Any Time by 7m on King George Avenue to deter parking, and enable refuse vehicles to load adjacent to the refuse stores.

A plan (Drawing Reference WR22TRO2118/IF/HL6) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email [TID@watford.gov.uk](mailto:TID@watford.gov.uk). The deadline for this is **Friday 29<sup>th</sup> July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage

Yours faithfully,

Norma Adjepong  
Traffic Engineer.
