Dear Resident,

Re: Proposed changes to parking restrictions on Rose Gardens and Vicarage Road

The Council has received a number of requests from concerned residents regarding the obstructive and inconsiderate parking which takes place on the No Waiting at Any Time restrictions around the Rose Gardens junction with Vicarage Road.

Road users and pedestrians are experiencing issues with accessibility and visibility at the junction of Rose Garden with Vicarage Road and on the approach to the traffic signals, as a result of vehicles parking on the pavement and around the junction of Rose Gardens with Vicarage Road. This also causing blockage to other passing vehicles, which results in traffic congestion and raises road safety concerns for those in the area.

It is therefore proposed that a No Loading at Any Time restriction is added to the existing No Waiting At Any Time restriction at and around the junction to deter vehicles from parking there.

A plan (Drawing Reference WR22TRO2118/IF/HL1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Friday 29th July 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage

Yours faithfully,

Norma Adjepong
Traffic Engineer.
