Dear Resident,

Feedback from informal consultation on proposed waiting restrictions for Green Lane, Oxhey.

Thank you for your comments in relation to the informal consultation, on proposals for the introduction of waiting restrictions within Green Lane, which was carried out in August and September.

The proposal was based on the introduction of 'No Waiting, Monday to Friday, 10am to 11am' on the West Side and 'No Waiting, Monday to Friday, 11am to Noon' on the East Side, to replicate the restrictions seen in the adjacent Oxhey Road. This would enable residents and their visitors to always have somewhere to park on street, as both sides of the road will not be restricted at the same time, whilst deterring long term parking on street.

The comments received to the informal consultation have been reviewed and considered by your local elected members. There was concern from some residents, that the areas which were left unrestricted would see an increase in parking, specifically Sonia Close and the section of Green Lane south of Sonia Close to the Borough Boundary. We will therefore be including these sections within the next statutory consultation stage.

To note the proposals from Watford can only be within the borough. Three Rivers District Council are aware of the scheme, and will consider themselves, any proposals south of the borough boundary.

We will inform residents when the statutory consultation commences, through a letter drop and notices will be placed on street to advise road users.

Yours sincerely,

Andrew Sturgeon - Senior Traffic Engineer.
