

## **STATEMENT OF REASONS**

### **THE BOROUGH OF WATFORD (GREEN LANE, WATFORD) (NO WAITING RESTRICTIONS) ORDER 2022**

The implementation of the proposed waiting restrictions on Green Lane and Sonia Close are in alignment with the Road Traffic Regulation Act 1984 and necessary for the following reasons:

- For avoiding danger to persons and traffic using the road, and through preventing the likelihood of any such danger arising through the manoeuvres which require vehicles to reverse on the carriageway, or allow passage to allow oncoming traffic to pass.
- For preserving the amenity of Green Lane, through ensuring vehicular access, including larger vehicles such as refuse and emergency vehicles, can be maintained for properties in adjacent roads.
- To eliminate indiscriminate parking at junctions, and on brows of the hill, which inhibits visibility for all road users.

The Council reserves the right to produce an amended or further statement in the context of any public enquiry or judicial proceedings to these proposals
