Dear Occupier,

Re: Proposed introduction of parking restrictions on Briar Road

The Council has received a number of complaints from concerned residents and elected members in regards to the parking which occurs on Briar Road, from the junction with Kingswood Road to just past the bend on Briar Road which reduces the forward visibility splay of drivers.

Due to the nature of the carriageway which bends from the western to the northern direction towards Kingswood Road, vehicles that park on the inside (the western side) reduce the forward visibility splay of drivers on the road, posing a safety issue for all drivers accessing the road and pedestrians crossing at that location.

It is therefore proposed to introduce No waiting at any time restrictions (double yellow lines) around the bend, to deter vehicles from parking at that location and improve the safety issue.

A plan (Drawing Reference WR22/IF/ST3) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday **23rd December 2022**.

As local residents, your views are important and all responses received, will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer.
