Dear Occupier,

Re: Proposed changes to waiting restrictions on St. Johns Road from the junction of St. Albans Rd

The Council has received a request from elected members in response to concerns raised by drivers regarding the parking which takes place on the No Waiting at Any Time restrictions on St. Johns Road at the junction with St. Albans Road.

Whilst loading/unloading and blue badge parking can take place on no waiting at any time restrictions, concerns have been raised in regard to vehicles parking in close proximity to the junction and reducing visibility for all road users.

It is therefore proposed to introduce No loading at any time over the existing No waiting at any time (double yellow lines) on the St. Johns Road arm of the junction. This is to prevent drivers parking on the double yellow lines to improve the safety issue raised by parking on the existing double yellow lines.

A plan (Drawing Reference WR22/1F/CE1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday **23rd December 2022**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer.
