Dear Occupier,

Re: Proposed changes to waiting restrictions on Beechen Grove Service Road

The Council has received a number of requests from concerned residents and elected members regarding the indiscriminate parking that occurs across the dropped kerb at the service road (Q), off Beechen Grove on approach to its junction with Rickmansworth Road which prevents pedestrians from safely crossing at this location.

Vehicles have been observed to park on and across the dropped kerb with no regard for the No waiting at any time restrictions, making it difficult for pedestrians to cross at this location.

It is therefore proposed that a No Loading at Any Time restriction is added to the existing No Waiting at Any Time restriction, to deter vehicles from parking on this access road and improve safety for pedestrians through enabling them to cross at the appropriate location.

A plan (Drawing Reference WR22/1F/CE5) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday **23rd December 2022**.

As local residents and businesses, your views are important and all responses received, will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer.
