Dear Occupier,

Re: Proposed changes to waiting restrictions at the junction of Percy Road and Market Street

The Council has received a number of complaints in relation to obstructive and inconsiderate parking taking place at the junction of Percy Road and Market Street.

Vehicles have been observed to park on the existing No Waiting Monday to Saturday 8am-6.30pm restriction around the junction, which causes obstruction to pedestrians crossing and other cars turning out of Percy Road onto Market Street. This ultimately raises a safety issue for all road users, if visibility around the junction is reduced. In addition as Percy Road is a one way street, it is also important that larger vehicles such as fire tenders and refuse trucks have the ability to turn right without obstruction.

It is therefore proposed that a section of the No Waiting Mon-Sat 8am-6.30pm around the junction should be converted to No Waiting and No Loading At Any Time, in the interests of road safety. A plan (Drawing Reference WR22/IF/CE2) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is Friday **23rd December 2022**.

As local residents and businesses, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong
Traffic Engineer.
