

## **STATEMENT OF REASONS**

### **THE BOROUGH OF WATFORD THE MEADOWS, WATFORD, (NO WAITING AT ANY TIME), ORDER 2023**

The implementation of the proposed introduction of No Waiting at Any Time Restrictions on The Meadows in alignment with the Road Traffic Regulation Act 1984 is necessary for the following reasons:

- For avoiding danger to persons and traffic using The Meadows, and through preventing the likelihood of any danger arising through the manoeuvres which require vehicles to allow traffic to pass/access the new development.
- For preserving the amenity of the proposed new development and The Meadows, through ensuring vehicular access, particularly for emergency and waste services, can be maintained in and out of the proposed cul-de-sac to the development.
- To eliminate indiscriminate parking at junction of The Meadows with the new development (around the new cul-de-sac), which would inhibit visibility for all road users.

The Council reserves the right to produce an amended or further statement in the context of any public enquiry or judicial proceedings to these proposals
