Dear Occupier

**Controlled Parking Zone J:
Results from the informal consultation on the proposed extension of operational hours**

Thank you for taking part in the informal consultation which was carried out between the 3rd and 24th February 2023, in relation to the proposals for extending the operational hours in Controlled Parking Zone J.

I can advise that 534 consultation questionnaires were posted to properties in the area and 81 responses were received, giving a response rate of 15%.

In response to the question, *“Do you support proposals to extend the operational hours of Controlled Parking Zone J to Monday to Sunday 8am to 10pm?”*

72% responded Yes, and 23% responded No. 5% of respondents either stated “don’t know” or did not answer the question.

The level of support varied on a street by street basis. A breakdown of the results can be found on the Council Website at www.watford.gov.uk/parking, under new parking schemes and consultations.

Officers have analysed the results with the Mayor, Portfolio Holder and your local Ward Councillors, who have agreed to proceed to the next stage of formal statutory consultation.

Officers and elected members, will continue working on the detailed design of the scheme and will be in touch again via letter, prior to the statutory consultation commencing, this will enable a further opportunity for the public to comment on the proposals.

Yours sincerely,

Andrew Sturgeon
Traffic Regulation Order Manager
