Dear Occupier,

Re: Proposed introduction of waiting restrictions at the junction of Melia Close with St. Albans Road

The Council has received a number of requests from residents and elected members regarding the accessibility difficulties drivers are experiencing at the junction with Melia Close and St. Albans Road. This is a due to the reduced visibility levels when vehicles are parked around the junction. The issue also reduces visibility for pedestrians crossing at this point, ultimately resulting in a safety issue for all modes of traffic.

In the interest of safety, it is therefore proposed to introduce No waiting at any time restrictions (double yellow lines) around the junction, to deter parking at that location.

A plan (Drawing Reference WR23/IF/ME1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email TID@watford.gov.uk. The deadline for responses is **Friday 4th August 2023**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
