Date: 17th November 2023.

Dear Occupier,

Informal Consultation on extension to Permit Parking Area (PPA) NA to include Gammons Lane (section west of St George's Road)

Your local Ward Councillors have been contacted by residents who have requested that the no through road section of Gammons Lane (west of St George's Road) which is currently outside of the PPA, should be included within Zone NA.

As you will be aware, parking on this section of carriageway on Gammons Lane is currently unrestricted, which enables vehicles to park long term without having a permit.

To ensure the views of residents in this section are considered, we are carrying out this short informal consultation to understand the level of support from those properties within the road, which will be most affected by any changes.

If there is support for the proposals, this will mean vehicles parked on street will need to have a permit to park during the scheme hours which operates between Monday to Saturday 8am to 10am and 5pm to 10pm (including Bank Holidays).

It is proposed that "Past this Point" signs are used. This would imply that permit holder entry signs would be located just west of St George's Road.

Further information on the zone and permit eligibility can be found on the council website at www.watford.gov.uk/parking.

A questionnaire has been attached to this letter and we would be grateful if you would fill it out and return the completed questionnaire either by email to parkingconsultation@watford.gov.uk or post to Parking Consultation, Town Hall, Watford, WD17 3EX. **The deadline for responses is Friday 8th December 2023.** Your engagement in this process is greatly appreciated.

At this stage this is an informal consultation, to understand the levels of support from residents and in the area. Your views are important in determining whether this proposal proceeds to the next stage or not.

Upon conclusion of the informal consultation, all responses received will be considered by the Portfolio Holder and your local Ward Councillors prior to any decision being made on whether or not to proceed to the final statutory consultation stage. Once a decision has been made we will write to you again to inform you of this outcome.

Yours sincerely,

Norma Adjepong
