Date: 23rd November 2023.

Dear Occupier

Statutory Consultation on Car Club Only Bay in Queens Road.

As you may be aware the Council is looking to introduce an eco-friendly Car Club, in early 2024.

To support residents and local businesses, a site on the western side of Queens Road has been identified as suitable for a Car Club parking space. This will be located next to the existing motorcycle bay, which will remain in place.

The Car Club bay will be marked for a single vehicle use, resulting in the loss of one shared use/permit holders only space. Car Club vehicles will only be able to park in that one space and will not be eligible to park in the remaining controlled parking zone. A plan showing the proposals (*Drawing Reference CC-C1/01*) is attached for information. As this proposal is amending on street waiting restrictions, the Council is carrying out a statutory consultation process, to enable road users and residents to have their say.

The statutory consultation period commences on Friday 24th November 2023. As this is a legal process, representations of support or objections to the proposal, together with the grounds on which they are made, must be sent in writing to Justin Bloomfield, Parking Lead Officer, at the address noted above or by email to parkingconsultation@watford.gov.uk. The deadline for the receipt of objections or representations of support is 23:59 on Friday 15th December 2023.

All comments will be considered by the Portfolio Holder and your local Ward Councillors prior to any decision being made on whether to implement the proposals or not.

Yours sincerely,

Andrew Sturgeon
Traffic Regulation Order Manager
