Dear Resident,

Re: Proposed changes to waiting restrictions on Balmoral Road, between Sandown Road and the pedestrian crossing

The Council has received complaints from residents regarding the difficulties they experience in finding a space to park on the road, particularly in the evenings and on weekends when the demand for parking is high.

It is therefore proposed to convert the existing No waiting at any time restrictions (double yellow lines) between the Sandown Road and pedestrian crossing by property no. 44 to a single yellow line to operate as Monday – Friday 8am – 6.30pm. This will increase the parking spaces available for residents to park and ensure that that section carriageway is consistent with the restrictions on the north side of the carriageway which are protected by single yellow lines except at the junctions with the sides roads which are protected by no waiting at any time restrictions.

A plan (Drawing Reference WRR24/IF/CA1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 20th December 2024**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer.
