Dear Resident,

Re: Proposed reduction of waiting restrictions on Beechwood Rise, from the junction with Middle Way

The Council has received a number of complaints in relation to the length of the existing double yellow lines (no waiting at any time) restriction on the west side of Beechwood Rose from its junction with Middle Way and have made requests to have it reduced to make provision for more parking spaces.

With the demand for parking in the area being high, particularly in the evenings and on the weekends, reducing the double yellow lines will increase the space available for residents to park.

It is therefore proposed to reduce the existing double yellow lines from 19 metres to 10 metres to create more space for parking.

A plan (Drawing Reference WRR24/IF/LE3) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 20th December 2024**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
