Dear Resident,

Re: Proposed introduction of waiting restrictions on the junction between Avon Close and Severn Way

The Council has received a number of complaints in relation to the obstructive and inconsiderate parking taking place at the Avon Close junction with Severn Way which raises a safety issue.

Drivers are experiencing issues with accessibility and visibility at the junction as a result of vehicles parking at or too close to the junction, and for long periods as a result of the junction being unrestricted. In addition, this can also reduce the visibility of pedestrians crossing at this point, ultimately resulting in a safety issue for all modes of traffic.

It is therefore proposed to introduce No waiting at any time restrictions (double yellow lines) around the junction in the interest of road safety.

A plan (Drawing Reference WRR24/IF/ST9) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 20th December 2024**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
