Dear Resident,

Re: Proposed extension of the existing waiting restrictions on Munden Grove at its junction with Balmoral Road.

The Council has received a number of requests from concerned residents and elected members regarding the difficulties drivers are having with accessing the junction when vehicles are parked close to the junction on Munden Grove.

Drivers appear to park close to the junction as the length of the existing no waiting at any time restrictions does not meet the guidance set out in the Highway Code which advises that vehicles should not park within 10 meters of a junction. This raises a safety issue for other drivers accessing the junction and pedestrians crossing at that location as sight lines are obscured. It also affects the smooth flow of traffic at the junction as turning movements can be impeded, particularly for large vehicles.

It is therefore proposed, in the interests of road safety, that the existing no waiting at any time restrictions (double yellow lines) are extended to 10 metres.

A plan (Drawing Reference WRR24/IF/TD1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 20th December 2024**.

As local residents businesses, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
