Dear Resident,

Re: Proposed extension of existing waiting restrictions on Sheepcot Lane

The Council has received requests from concerned residents and elected members regarding the obstructive parking which takes place on Sheepcot Lane, outside property no. 90 to 92, which reduces the visibility for residents egressing their drives to join the main road. In addition, with that section of carriageway being directly opposite the bus stop, vehicles parked at that location reduce the carriageway width when a bus is at the stop and result in general traffic flow being hindered.

It is therefore proposed to extend the existing double yellow line restrictions (no waiting at any time) across no. 90 and 92 to tie into the existing double yellow lines at the junction with Lamb Close. This will deter parking, improving visibility for drivers and improve traffic flow when there is a bus at the stop.

A plan (Drawing Reference WRR24/IF/ST5) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email parkingconsultation@watford.gov.uk. The deadline for responses is **Friday 20th December 2024**.

As local residents, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
