Dear Occupier,

**Re: Proposed introduction of parking restrictions on bay across the road from the shopping parade on North Approach**

Complaints through elected members have been raised by residents concerning vehicles that park for long periods in the unrestricted parking bays across the road from the shopping parade.

Residents have complained about vehicles parking in the bay, sometimes for long periods of time which negatively affects local residents as it reduces their access to parking spaces particularly in the evening and during the weekends when the demand for spaces is high.

It is therefore proposed to introduce a restriction over the parking bay to operate as “Monday – Saturday 8am – 6.30pm for 2hrs No Return within 2 hrs (which is the same as the bays directly outside the shopping parade). This will deter motorists from parking for long periods and ensure that the operation of the bay is in line with the parking bays directly outside the shopping parade. It will however affect residents who will also only be allowed to park for up to 2 hours within the time period.

A plan (Drawing Reference WRR24/IF/ST6) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, as part of this informal consultation, please contact me by telephone or email [parkingconsultation@watford.gov.uk](mailto:parkingconsultation@watford.gov.uk). The deadline for responses is **Friday 20<sup>th</sup> December 2024**.

As local residents and businesses, your views are important and all responses received will be reviewed with the Portfolio Holder and your local Ward Councillors, prior to making any decision on whether to proceed to the final statutory consultation stage.

Yours faithfully,

Norma Adjepong

Traffic Engineer
