

STATEMENT OF REASONS FOR PROPOSING

The implementation of the proposed waiting restrictions within the above-named order are necessary for the following reasons:

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, through restricting parking around junctions.
- For preserving or improving the amenity of the area through which the road runs.
- To ensure roads do not become over congested with parked vehicles causing difficulty for statutory and emergency service vehicles navigating the road
- To prevent traffic from obstructing access points/areas which would otherwise pose a safety issue or raise difficulties with access.

The Council reserves the right to produce an amended or further statement in the context of any public enquiry or judicial proceedings to these proposals.
