

Dear Resident,

Welcome to your new home.

Watford Borough Council is responsible for collecting your household domestic waste, which is collected by their partner Veolia.

To help you recycle as much as possible we have enclosed a leaflet explaining what materials go in each bin.

If you produce any waste that you cannot put in the bins provided please dispose of it as advised in the leaflet. Please do not leave any waste by your communal bins, put it outside the property hoping someone will collect it, or dump it beside a litter bin - this is illegal. If you move out of the property at a later date please ensure you have taken adequate steps for the removal or disposal of any waste.

Your bins are located

If you allow your waste to become a hazard, a nuisance, or affect the environment, you could be issued with a community protection notice. If you breach this notice you may receive a fixed penalty notice of £100.

If you dump any of your waste away from where you live you could receive a fixed penalty notice for fly-tipping of £300.

Thank you for recycling and disposing of your waste responsibly. For more information about waste and recycling please visit: www.watford.gov.uk/recycling

Kind regards,

.....
