Dear Resident,

Green Lane – Statutory Consultation on No Waiting at Any Time Restrictions

Following the feedback received to the informal consultation which took place in July and August 2021. I write to you again to inform you that we are now carrying out the statutory consultation process to implement no waiting at any time (double yellow line) restrictions within Green Lane.

The feedback we received has been shared with elected members and council officers, and following a review of this feedback we are now proposing additional lengths of no waiting at any time on Green Lane, to improve driver visibility, especially around junctions. A plan showing the proposals is attached for reference.

The statutory consultation period commences on Friday 8th October. Representations of support or objections to the proposal, together with the grounds on which they are made **must be sent in writing** to Andy Smith Head of Transport & Infrastructure, Town Hall, Watford, WD17 3EX, or by email to TID@watford.gov.uk. The deadline for the receipt of objections or representations of support is 23:59 on **Friday 29th October 2021**.

All comments will be considered by the Head of Transport & Infrastructure along with your local ward councillors prior to any decision being made on whether to implement the proposals.

Yours sincerely,

Andrew Sturgeon
Traffic Engineer
