Dear Resident.

Proposed No Waiting At Any Time, Green Lane, Oxhey.

We have recently received a number of requests from residents and elected members regarding the dangerous and inconsiderate parking taking place along Green Lane.

Officers and Ward Councillors have been reviewing the situation and propose that sections of no waiting at any time be implemented on Green Lane, in order to improve visibility for all road users.

The proposals include extending the existing no waiting at any time from the junction of Green Lane/Oxhey Road for a further 25 metres on both sides of the carriageway and introducing 15 metres of no waiting at time on both sides of the carriageway at and opposite the access to Charlotte Close.

A plan showing the proposals is attached for your review. As local residents, we are seeking your views on these proposals prior to undertaking any formal consultation. If you wish to make comment on the proposals, please feel free to contact me by telephone or email TID@watford.gov.uk. The deadline for receipt of comments is **Friday 6th August 2021**.

Your views are important and all responses received will be reviewed with the Head of Transport & Infrastructure and your local ward councillors, prior to making any decision to proceed to the final statutory consultation stage.

Yours sincerely,

Andrew Sturgeon
Traffic Engineer.
