**WBC Order No. 21/06**

The implementation of the proposed Prohibition of Waiting Restrictions at Aldenham Road, Chalk Hill & Pinner Road, Watford in alignment with the Road Traffic Regulation Act 1984 are necessary for the following reasons:

- For avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising
- For preserving or improving the amenity of the area through which the road runs.
- To ensure that inconsiderate parking does not occur within the immediate vicinity of several junctions in the area therefore retaining adequate visibility to all road users.
- To ensure traffic is allowed to flow without impediment during all times of day at what is a heavily used part of the Boroughs road network

The Council reserves the right to produce an amended or further statement in the context of any public enquiry or judicial proceedings to these proposals.
