Dear Resident,

Re: Proposed changes to parking restrictions on Queens Road

The Council has received a number of requests from concerned residents, and elected members regarding obstructive and inconsiderate parking taking place on the No Waiting At Any Time restrictions on Queens Road opposite the junction of Queens Place, which reduces the visibility levels of drivers using the area and the ability for larger vehicles to manoeuvre.

It is therefore proposed that a No Loading at Any Time restriction is added to the existing No Waiting At Any Time around the area with the bollards, as shown on the attached plan. (Drawing Reference WRR21/TRO/IF/CE3). We are aware that businesses will still need to take deliveries and have left an area of No Waiting At Any Time for this to occur but away from the immediate junction.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Monday 20th December 2021**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage.

Yours faithfully,

Andrew Sturgeon
Senior Traffic Engineer.
