Dear Resident,

Re: Proposed removal of parking restrictions outside 35-42 The Roundway.

The Council has received requests from residents and elected members regarding the potential removal of the No Waiting Sat-Sun 10am-5pm parking restriction outside your property.

We understand that the demand for on street parking in the area is high and the requirement for you to move your vehicles during the restricted times on Saturdays & Sundays is difficult. The proposed removal of the restriction would therefore enable vehicles to park here at all times, without the need to move during the weekends.

To ensure access to the area can be maintained the restriction will remain for the majority of the Roundway and opposite your property. The removal of the restriction does mean that any vehicle would be able to park on this section of carriageway.

A plan (Drawing Reference **WRR21/TRO/IF/HL1**) showing the proposals is attached for your review.

If you wish to make comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Monday 20th December 2021**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage.

Yours faithfully,

Andrew Sturgeon

Senior Traffic Engineer
