Dear Resident,

Proposed introduction of No Waiting At Any Time at junction of Bromet Close with Hempstead Road – Statutory Consultation

Thank you for your feedback and comments, following the informal consultation we carried out with residents in December 2021.

Ward Councillors and officers reviewed all feedback received from the informal consultation and have agreed to proceed to statutory consultation on proposals to introduce No Waiting at Any Time restrictions (double yellow lines) are implemented for the first 10 metres into Bromet Close. The proposals are shown on the drawing attached for your information.

The statutory consultation period commences on the 19th February for a period of 21 days. We again invite representations of support or objections to the proposal, as part of this consultation. Objections together with the grounds on which they are made must be sent **in writing** to Andy Smith Head of Transport & Infrastructure, either at the Town Hall, Watford, WD17 3EX, or by email to TID@watford.gov.uk. The deadline for the receipt of objections or representations of support is 23:59 on Friday 11th March 2022.

All comments of support and objection will be considered by the Head of Transport & Infrastructure along with your local ward councillors prior to any decision being made on whether to implement the proposals.

Yours sincerely,

Andrew Sturgeon
Traffic Engineer
