Dear Resident,

Re: Proposed introduction of No Waiting At Any Time on Newlands Walk

The Council has received requests from residents and ward councillors, to review the existing length of the no waiting at any time restriction around the turning head of Newlands Walk.

We are aware this restriction was shortened to accommodate an increase in on street kerb side parking in 2018, however since this time we have received reports of difficulties encountered by larger vehicles trying to use the turning head, therefore it is proposed that the section of no waiting at any time (double yellow lines) is reinstated in front of 9-10 Newlands Walk.

A plan (Drawing Reference WRR21/TRO/IF/WD1) showing the proposals is attached for your review.

If you wish to make a comment on the proposals, please contact me by telephone or email TID@watford.gov.uk. The deadline for this is **Monday 20th December 2021**.

As local residents, your views are important and all responses received will be reviewed with your local Ward Councillors, prior to making any decision to proceed to the statutory consultation stage.

Yours faithfully,

Andrew Sturgeon
Senior Traffic Engineer
